IMAGES FOR POSTS

Images found on the Internet are **not in the Public Domain**. Because of that, you should not use them unless you verify the **usage rights**. Upload any image you find to the search box in Google Image Search. <https://images.google.com/> . On the page select the link that shows “visually similar images.” From the menu that appears, select Tools, **then Usage Rights**.

PUBLIC DOMAIN PICTURES

All images free for commercial or personal use. <http://publicdomainpictures.net>

PIXABAY

All images free for commercial or personal use. <http://pixabay.com>

WIKIMEDIA

Images free for commercial or personal use, sometimes attribution is required
<https://commons.wikimedia.org/>
