## MEASURE OF SUCCESS DISTRICT 52 IN THE TIME OF CHALLENGE

### CIRCE DENYER, DTM 2020-2021 DISTRICT 52 DIRECTOR

District Director to Members of District 52

It has been a challenging year for many — inside and outside of Toastmasters. Toastmaster members have something to be grateful for – the ability to voice those feelings in the form of speeches. The measure of this is beyond price.

You are my favorite champions. You that have chosen to face the differences and endure the limitations of our everyday life with forward motion and connection through clubs.

We are learning new things – technical things, visual things – and we have embraced this new knowledge. Toastmasters are more prepared than any other segment of the population for the future. Job seekers will interview more effectively. Parents will navigate their children’s’ new-school reality with ease. Careers will be born. Innovation will emerge as the future opens wide in front of us.

I read this today and it is meaningful to me as a leader in District 52.

*“Sometimes we all need to travel the dark passageways, do the shadow-work, face the tough times head on, to get a little burst of light to shine through. That’s what 2020 was for me. feeling the “hard feels,” letting them move through me. It has provided a stronger foundation and improved overall resilience for me. Helped me to be more awake, conscious and present in the moment. It’s not supposed to be easy, we are supposed to be challenged,. supposed to grow. How do you think these canyons came to be? @doc\_marnie\_chiro*

I measure the success of District 52 by the challenges met and the light that clubs have produced for the membership.

It has been the member that made the difference. Members who showed up and stepped out of their comfort zone and shared through the camera. Members who expanded their experiences through video for a challenging contest.

I say thank you, to you my Fearless Champions and Faithful Friends. You are the reason I can say “we are measurably successful”.

As we move into the final months of the 2020-2021 term clubs will begin to vote as to when and how they will transition to the partially in-person club meetings, better known as “hybrid” meetings. A new challenge is born!

Your District Director,  
Circe Denyer, DTM

### **2020-2021 INTERNATIONAL PRESIDENT**

Fellow Toastmasters in District 52,

Welcome to the 2021 district conference: Moving Forward. As a result of the continuing global pandemic this conference may be unlike any you have experienced before. The Conference Team has worked tirelessly to ensure that you have the best experience possible. Throughout this conference you will have the opportunity to immerse yourself in the various activities that have been assembled for you. Take time, when possible, to network with your fellow Toastmasters, make new friends, and build lasting relationships. I challenge each one of you to meet someone new and learn something about them.

The educational sessions will provide you with the opportunity to learn from others. You will gain new skills that you can use both in and out of Toastmasters. In addition to the educational sessions, you will hear from keynote speakers who will inspire and entertain you. Share what you learn with others, remember, knowledge is only worth something when you share it with others.

During the conference you will get to witness the thrill of competition! The best speakers in the district will take the virtual stage competing in various speech contests vying for the title of District Champion. Who will represent your district in the Regional Quarterfinals of the International Speech contest?

Who will be the leaders responsible for leading your district towards continued success in the upcoming year? Who will develop the strategies and innovative programs to increase the reach of Toastmasters throughout the district and help members achieve their goals? During the annual business meeting the voting members will be responsible for electing these leaders, this is a tremendous responsibility. Meet with these leaders and get to know them prior to the business meeting and then select those who will best serve the members, the district, and Toastmasters International. Use your conference experience to move forward and make an impact on others!

Yours in Toastmasters,

A handwritten signature in black ink that reads "Richard E. Peck".

Richard E. Peck, DTM  
2020-2021 International President

### **2020-2021 INTERNATIONAL DIRECTOR**

As a servant leader in our future-focused organization, Toastmasters being the first-choice provider of dynamic, high-value, experiential communication and leadership skills development is as critical now more than ever. Creating clubs with excellence adds value to our communities and leaves a legacy that will thrive for years to come. Consistently connecting with our members through mentorship and service builds meaningful relationships and fosters a fun place to learn for everyone.

Our members are our greatest asset. We have an opportunity to learn and grow together. We can make a difference and challenge one another to be the best versions of ourselves. I encourage you to begin each day being present. Resolve to move forward and act with purpose, on purpose. The future is ours to create!

## VICKI NOETHLING, DTM

### 2020-2021 REGION 2 ADVISOR

To all my fellow Toastmasters and Distinguished guests of this 2021 District 52 Conference, I wish you all the best. You did it, you made it through 2020 and are starting to see signs of freedom to move out of your homes and into the events and gatherings we so desperately miss. I know I cannot wait to attend my first in person meeting again. The thing to remember, however, is all the good that came out of this pandemic. We saw that we could quickly pivot and change to meet, train, and even compete in the virtual world. Our meetings not only helped us continue our personal development, but they also allowed us to eliminate or lessen the isolation some of our members were feeling. While we could not recognize accomplishments with a ribbon and a high five, we were able to give virtual ribbons and zoom reactions.

As members weekly, we were enhancing our skills as online presenters, masters of zoom, lighting and sound. Now this is a skill to add to our resumes and provide opportunities that may not have ever been presented to us. We were able to meet and develop relationships with our fellow Toastmasters across the city, state, and country lines. No longer will we have to wait until the next convention to reconnect and share ideas. No longer do we have the excuse of traffic keeping us from attending a meeting.

Yes, the last year has been a crazy one, but it has pushed us out of our comfort zones, allowed us to slow down and appreciate our families, friends and gifts. My final request of you in my last months of being your Region Advisor is that you hold onto the good that you have realized during this time. Stay outside of that comfort zone. Dhaval Gaudier said it best, "The only thing stopping you from where you are to where you want to go is your comfort zone." Be courageous, be innovative, have fun and share your passion for being a better communicator and leader. Lead by example and you will be amazed by how rich your life will become.

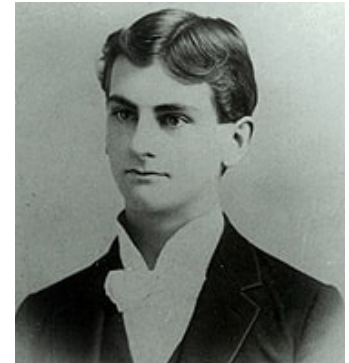

This Toastmaster year will soon be over, but make today the day you step outside your comfort zone and become the person you are meant to be.

# THE TOASTMASTERS JOURNEY

Toastmasters began as a series of speaking clubs organized by Ralph C. Smedley during his time working for the YMCA (Young Men's Christian Association) in Bloomington, Illinois, United States. As director of education at the YMCA, Smedley saw a need for the men in the community to learn how to speak, conduct meetings, plan programs and work on committees, and he wanted to help them.

Smedley decided to organize a club where they could learn these skills in a social environment, and the men responded well to the concept. He named the group the Toastmasters Club; "toastmaster" was a popular term that referred to a person who gave toasts at banquets and other occasions.

The first unofficial Toastmasters meeting was held on March 24, 1905. Much like Toastmasters meetings today, the participants took turns leading and speaking at each meeting. Smedley and the older, more experienced men evaluated short speeches, while the younger men were invited to join in the evaluations. However, as Smedley was offered positions at other YMCAs in Illinois and later, in San Jose, California, the fledgling clubs lacked leadership and did not flourish.

# THE FORMING OF TOASTMASTERS INTERNATIONAL

Smedley began working at the newly organized YMCA in Santa Ana, California, in 1922, and for the first two years, his time was spent building a home for the organization. However, his passion to help others learn to speak and lead remained. Once the new YMCA building was christened in April of 1924, he was able to introduce the idea of Toastmasters to his colleagues, and organize the Toastmasters club that eventually became Club No.

1 of Toastmasters International. The first meeting was held at the YMCA building on October 22, 1924. Word spread about Smedley's Toastmasters clubs and soon people in surrounding communities and other states were asking how they could start their own club.

To save time replying to the many letters and inquiries he was receiving, Smedley wrote the "Manual of Instructions" and "Ten Lessons in Public Speaking," which he had printed and bound in paper covers. On October 25, 1928, he secured copyrights on the publications and trademarked the name "Toastmasters Club."

By 1930, nearly 30 Toastmasters clubs had formed including a club in British Columbia, Canada. To reflect expansion outside of the United States, the newly formed association was re-named Toastmasters International. Two years later, in 1932, Toastmasters International was incorporated as a California non-profit organization and Smedley took on the positions of Secretary and Editor of the new association.

He resigned as YMCA Secretary in 1941 to devote more time to Toastmasters. Through the war years, he operated the organization out of a small office. When the war ended, a new Secretary, Ted Blanding, replaced Smedley and remained active as Educational Director for the rest of his life, as well as a permanent member of the Board of Directors.

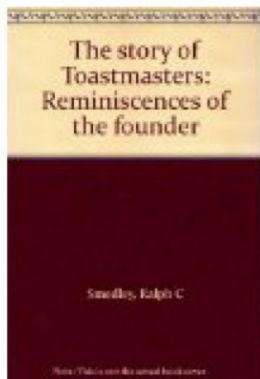

# THE GROWTH OF TOASTMASTERS INTERNATIONAL

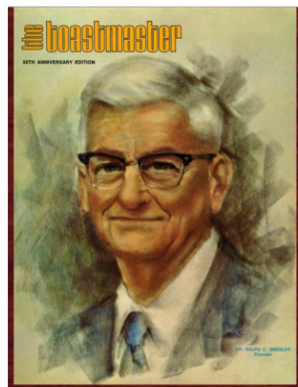

A series of rented office spaces in Southern California served as Toastmasters International's headquarters until 1962, when the staff moved into the first World Headquarters building in Santa Ana, not far from the YMCA where the first Toastmasters club met.

Ralph C. Smedley died in 1965. In 1970, Toastmasters International admitted its first female member, Helen Blanchard, under the name Homer Blanchard. In 1973, Toastmasters began officially admitting women, and in 1985, Helen became Toastmasters' first female international president.

Terrence McCann, an Olympic wrestler, was chosen in 1975 to serve as the Executive Director of Toastmasters International, a position he held until 2001. He was replaced by Donna Groh (2001–2008) and then Daniel Rex (2008 to present).

## 2020 - 2021 DISTINGUISHED TOASTMASTERS

### **DTM 3/04/2021      David Ballentine**

David grew up in Colorado, where he attended college. He has lived in Washington D.C., Austin, TX, Miami, FL, and now Los Angeles.

He has recently worked in public libraries, and is studying for his Master's of Library Science Degree (MLIS). David is also interested in the natural medicine field, especially the ancient Indian tradition of Ayurveda. Reading books is his favorite activity, and his cooking is out of this world. He enjoys working on cars, doing yoga, playing golf, gardening, and hiking.

### **DTM 3/11/2021      Shawannah Bordenave Executive Minds Toastmasters**

### **DTM 11/11/2020      Ryan Chou**

Ryan is excited to finally achieve his Distinguished Toastmaster designation under the Traditional Education Program, after eleven years. He has been a member of Speechcrafters Club in South Pasadena, Santa Susanna Speakers Club in Woodland Hills, and Adventurers Club in Lake Balboa, and held various officer positions over the years. Ryan works as a Product Manager at Farmers Insurance, where he continues to be involved with the corporate club at the company's headquarters in Woodland Hills.

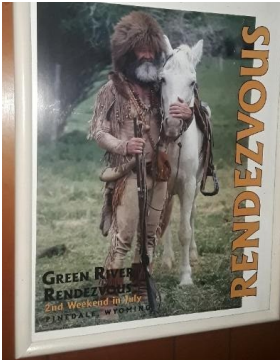

### **DTM 4/20/2021      Albert Lin**

Albert has been a member of Mindful Communicators since 2006 and recently joined Valley Stars Clubs in Woodland Hills. He is retired from an aerospace engineering career but not from volunteering on projects he didn't have time to take on while working a full-time job. In his second career, he is a Program Evaluator on accreditation of university engineering programs and tutoring math in local high schools. He is also hooked on traveling and has visited a few UNESCO world heritage sites with a long list to go. In the last few years, he started to grow specialty vegetables from his garden and enjoy sharing them with family and friends. He has high hopes of bumper crops this year.

## 2020 - 2021 DISTINGUISHED TOASTMASTERS

### **DTM 3/01/2021 Joe Mandoky**

Joe started in Toastmasters with his first Ice Breaker on June 6, 1977. He took two breaks, first rejoined in 1992, and most recently in August of 2015 with Foothill Community Toastmaster where he is the current club president. Joe was a past Area Director, 2020-2021.

He has been a licensed real estate agent/broker since 1971, a member of Glendale Association of REALTORS, and president of California State and National Director.

As an entrepreneur, Joe owns and operates JOE MANDOKY REALTORS in Glendale, California. Having finished his Effective Coaching path, he plans to continue to focus on coaching new and continuing members as well as getting another DTM.

### **DTM 7/01/2020 Benny Yeh**

The “loudest duck gets shot” is what Benny Yeh was accustomed to while growing up, so he did just that keeping his mouth shut. While he progressed through his academic career and his professional career in engineering, he quickly realized that society predicates itself on “the squeaky wheel gets the grease.” In 2014, he decided to become a little squeakier as he joined the Neuro Orators Toastmaster club at Boston Scientific in Valencia. The Toastmasters journey was rewarding, and the support of fellow Toastmasters is astounding. The leadership and communication skills he obtained through Toastmasters empowered him to start breaking down the bamboo ceiling as he started in a manager role in the Research and Development Department a year ago.

### **Repeat DTM John Murray**

John Murray completed his 4th DTM and 1st Pathways DTM in January 2021. He joined his home club Warner Center Toastmasters in July, 2009. John has served every club leadership role multiple time in addition to Area Governor, Division Director, District Chief Judge, Club Growth Director and currently Finance Manager. He has completed 73 educational awards including the Competent Communication manual 11 times. John has sponsored two clubs, mentored three clubs and sponsored 165 new members. He is a member of Warner Center Toastmasters, Woodland Hills Toastmasters, Challengers Toastmasters, V.O.L.T. Voices of Leadership Toastmasters and Leaders Pro Toastmasters. John’s most rewarding experience has been mentoring new members and believes mentorship is the key to individual and club success.

# DISTRICT 52 TOASTMASTERS IN MEMORIAM

## **RICHARD DICKSON, DTM** **Cosmopolitan Tech #172 Toastmasters** **APRIL 11, 1955 - JUNE 9, 2020**

With a larger-than-life personality and a love for the color purple, Richard has touched us in so many ways. His presence and passion for being a Toastmaster and a chief judge can be felt every time he is in the room with us. He will be missed.

"People are called to be Toastmasters to be makers of Peace"

## **SVETLANA RAY, ACB, CL** **Warner Center #2966 Toastmasters** **June 6, 1967 - March 14, 2021**

Svetlana Ray whom we all appropriately knew as Sunny, passed on in March 14, 2021. She first joined Mindful Communicators and then became a long-term member and officer of Warner Center. She was a driving force in many members' growth and success in both clubs, a dedicated officer and a delightful contest participant. Her beautiful smile and loving warmth were a gift to us all.

## **KAY MARIE BARON, DTM** **Renaissance Speakers Toastmasters** **April 5, 1958 - February 11, 2021**

She loved the color Purple. A member of Renaissance Speakers and a former D52 District Officer, passed away this year.

Kay had the biggest heart of anyone, and would give anything and everything to the people around her. She was the hardest worker! When she was VP Education one year, she was majorly responsible for five (5) Club members achieving DTM! She is sorely missed.
