

Presentation Mastery Pathway

This document will show you exactly how members of corporations, businesses, freelancers, and college students are able to quickly improve their public speaking skills without fear to give a presentation.

Proven

This strategy reflects our approach to the proven system we used to guide countless members to improve their professional skills and communicate effectively, lead teams effortlessly, and manage projects efficiently.

Common

Why most adults struggle to speak in public? They get...

Overwhelmed with fear or lack of confidence to give a speech in public...

Frustrated by not knowing how to write a presentation...

Upset for not knowing how to keep an audience engaged...

Three simple steps that help people just like you improve their connection with audience members!

Step 1

Mastering fundamentals with 7 projects: Ice Breaker, Writing a Speech with Purpose, Intro to Vocal Variety & Body Language, Evaluation & Feedback, Communication Styles, Effective Body Language, and Intro to Mentoring

Step 2

Increasing Knowledge & Building Skills with 5 projects: Persuasive Speaking, Managing a Difficult Audience, and three elective projects

Step 3

Demonstrating Expertise with 3 projects: Prepare to Speak Professionally, Reflect on Your Path, and one elective project

Toastmasters D52's Road To Excellence
